

Harvest Fest
By Colleen Kelley

St. Michael the Archangel Catholic School held its annual Harvest Fest in the Williamsburg Room of the church on October 28, 2011. The Home and School Association (H&SA) and the Student Council treated the school to a fabulous evening. The H&SA procured a DJ for the evening, who was a big hit. The DJ played Halloween songs as well as some dance tunes. Even Mr. Savoy, our Principal, took part in the dance scene! Besides dancing, the children had a costume contest. Face painting was provided by our own, very talented Ms. Doherty. The Student Council set up and managed its annual Haunted House. Student Council officers and members stayed after school the day of Harvest Fest to transform the stage into an eerie, scary scene. The President of the Student Council, Cristian Mora, led the successful organization, creation, and execution of the Haunted House.
